

Jacki Rose

Top Performance

turning business professionals into professional presenters

Speak Like a Pro

Get great results from your presentations!

Your people will discover how to...

- ◆ stand out above the rest
- ◆ present with power, energy and passion
- ◆ loosen up and show their true personality
- ◆ have fun with their presentations
- ◆ engage their audience the entire time
- ◆ leave their audience wanting *lots* more

Attendees have a great time developing their presentation skills! *Jacki creates a fun, safe and motivational environment for all programs.*

Speaking

A one hour program by Jacki Rose is fun, engaging, and educational. Your group will gain the tools they need to take their public speaking skills to the next level and beyond.

Training

Corporate training programs and workshops allow participants to practice what they learn for immediate growth.

Coaching

Individual and small group coaching programs are extremely effective. Clients receive excellent input on the content as well as the delivery.

"The greatest business training I have ever had. I can't wait for my next presentation." *Jessica Azoulay, Managing Director, Forbes Consulting Group*

"Engaging, entertaining, and informative, the time just flew by!"
John Abbondanza Owner, Vision Care Specialists

"Jacki Rose is a master at speech development and delivery. As a result of her coaching, I was able to deliver one of the best speeches of my life on the World Championship of Public Speaking stage."

Katherine E. Morrison, Ph.D.

3rd Place, 2008 Toastmasters World Championship of Public Speaking

As an expert in public speaking,

she brings education, energy, and enthusiasm to the platform! She has helped thousands of business professionals become more confident, dynamic, and engaging presenters.

Author of several public speaking publications. Her articles have been published in trade magazines, newspapers, and hundreds of online sites. Her books are designed for people to learn quickly and easily so that they can improve their skills immediately and get great results from all of their presentations.

Member of the National Speakers Association and served on the board of the NSA New England chapter.

Certified Trainer through the American Society for Training and Development and served on the board of the Greater Boston Chapter.

Earned the highest designation award from Toastmasters International (DTM) where she held officer roles such as President, VP of Education, and VP of Membership. She also achieved the high performance leadership award.

Before becoming a Presentation Skills Coach, she held sales and leadership positions in the industries of real estate, hotel, and community education.
